Today the President [@JMilei](#) asked me to close branches of Banco Nación in municipalities that insist on abusing their neighbors by imposing unjustified municipal tax rate hikes, which they are also concealing in national services.

I have already spoken with the president of Banco Nación, Daniel Tillard, who will be responsible for implementing this measure.

All of us Argentines are making an enormous effort to move the country forward, but a large part of politics still want to cling to the model of “privileges for the few and poverty for the many” in effect over the past 20 years.

The Argentine people voted for a change, and it is our duty to comply with their mandate.

Hoy el Presidente @JMilei me pidió que cerráramos las sucursales del Banco Nación de aquellos municipios que insisten con abusar de sus vecinos mediante subas de tasas municipales injustificadas, que además esconden en servicios nacionales.

Ya he hablado con el presidente del Banco Nación, Daniel Tillard, quién será el encargado de llevar adelante esta medida.

Estamos todos los argentinos haciendo un esfuerzo enorme por sacar al país adelante, pero hay todavía una buena parte de la política que quiere aferrarse al modelo de “privilegios para pocos y pobreza para muchos” de los últimos 20 años.

El pueblo argentino votó un cambio, y es nuestro deber cumplir con su mandato. 🇦🇷🇦🇷🇦🇷
